HARIKA YEDIDI

(856) 580-3626 | harika4a@gmail.com| www.harikayedidi.com/

EXPERIENCE:

Front End Web Developer: LI-COR Biosciences, Lincoln, NE   Oct 2015 - Present
- Developed and maintained web pages and applications including e-commerce and WordPress websites using the latest web technologies.
- Collaborated with the back-end developers to build internal API's and integrate external API's with the website for fast and seamless user experience.
- Created the front-end for amazing user interactions by working alongside the graphic designers and ensured cross browser/platform compatibility.
- Streamlined a development process that improves the the performance and security of applications which gather customer data using online forms.
- Coded a new project request system from scratch using PHP, JavaScript for the marketing team and developed an internal news update system for the company using WordPress.

Front End Developer Intern: NYU Incubators, NY   Feb 2015 - May 2015
- Developed a web based resume portfolio platform for interns working for NYU funded start-ups.
- Designed the front-end for a website from wire framing to coding in WordPress to make a customized resume portfolio for each intern where recruiters can directly reach out to the students.

Web Application Developer Intern: NYC Comptroller Office, NY   Jun 2014 - Aug 2014
- Developed a web application to keep track of the vacant cubicles in the office building using Java.
- Collaborated with the web engineers to resolve technical issues and launched the application on the organization's server.
